AUG • 59

Wolf Trapped in Atlatosa Mts. Aug. 59
by Ernesto Santa Cruz. Cowboy for
Kane Ranch Peck Canyon.

Douglas Comming told Ernesto to
bring him to Headquarters & he would
contact the Desert messengers if they were in-
terested in him. Of course they were. They
came down and skinned him and transferred
the wolf to Tucson. He sent several pups; one
went to San Diego and other museums.
