Gentlemen:

Due to the tactics used in investigating my case I find it impossible to make a living in the hunting business. Therefore I am requesting the permission of the court to move to the state of Nevada. Where I will join Local No. 1780 of the Carpenters Union and expect to be employed as a carpenter.

I have property in the states of Utah and Arizona that will need my attention from time to time and I request permission to attend to this when ever necessary.

My attorney Harold Whitney will have my address and phone no. and can contact me with in a reasonable length of time.

I would like for the above to be from the first of July untill such time as my case is scheduled for trial.
